7:30			
7:45			

Recital Photo DAYS! APRIL 15, 16

We are thrilled to again be working with Meghan Goering Photography for this years photo experience. Please refer to Meghan's materials to answer any questions you may have regarding portraits and packages and to ensure the best portrait experience. Above you will see your dancers class codes listed next to their photo time. Please visit your Parent Portal on DSP or ask the office if you are unsure of your dancers class code.

Some things to be aware of for a wonderful experience are:

- ** Please arrive 5 min prior to your scheduled time ready to go. This will help us keep on top of our schedule.
- ** Please enter via doors nearest GameStop and find a space to wait in Studio 2. Dancers over 8 may be dropped before their 1st photo and picked up after their last photo. No parents will be allowed in the portrait area.
- ** Group and Individual portraits will be taken in each class slot.
- ** Solo/Duets/Trios you may jump in for a photo between your other routines, ask Miss Candice which may be the best slot for this.
- ** Be sure you have double checked what your dancer needs for tights and shoes per class/costume.
- ** Label all costume pieces and shoes with dancers name or initials.
- ** Hair and Makeup may be done however you would like for photos. We do suggest at least some makeup for the best portrait. Please either remove nail polish or make sure it isn't chipped.
- ** Even if you are not intending to purchase a photo PLEASE plan to attend for your group photo.
- ** Please have your dancer practice their individual pose/come in with their idea to help us keep the day moving.
- ** We will have drawings and giveaways during picture days(Summer Camps, Summer Intensives, Dance Shop Dollars, NDA Gear and MORE!), Please sign up in the office during the portrait days. Dancers/Families will also receive entries when they purchase their pre sale credits.
