

National Dance Academy Recital Handout

14th Annual Performance at GBPAC

Saturday May 20, 2023 Performances at 1:00 and 6:00 pm

Get ready for a magical day of dancing!

Please read through this information in its entirety and follow up with the office should any questions arise. You and your dancer's awareness and follow through on these procedures will help the day run smoothly. It's always a day full of excitement, joy and smiles!

Please don't hesitate to reach out for more guidance as you review these procedures.

1

DANCER ARRIVAL

Dancers should arrive at least 45 minutes prior to their show time if they are in the 1st act. If they are only in the 2nd act they will report to the backstage check in at intermission. Drop off dancers at the rear (Ohio St) door. No parents will be allowed inside this door. Staff will check dancers in and take them to their dressing space.

2

BACKSTAGE

Dancers will have an assigned dressing space where they will be held and monitored while not on stage. Each changing area will have a live feed of the performance for dancers to watch. Your dancer may bring a clean snack (goldfish, graham crackers etc) and water as well as a clean/easy activity to keep them occupied while not on stage.

3

DANCER PICK UP

1st Act only dancers should be picked up in the lobby area at intermission. 2nd Act dancers should be picked up in the lobby area following the show. Dancer exchanges will only happen before the show, during intermission, and following the show. For those that do not have an extra ticket, we do have a dancer only reserved section of the auditorium.

PHOTO DAYS

April 15, 16

Please keep watch for a Photo Day schedule to be emailed in the coming weeks. A group and individual picture will be taken at this time.

We do ask that you attend your picture time even if you aren't planning to purchase pictures. It's so nice to have an accurate memory of your classmates each season.

Plus we have several awesome prize drawings to sign up for when you are there!

Information from Meghan Goering Photography will be emailed shortly. This will include information on ordering and payments.

Please ensure you have all costume pieces as well as correct tights and shoes for your dancer's picture. Should you need guidance on this, please contact the office.

You may do your dancers hair/makeup however you wish for pictures. The portrait area will only be accessible to staff. Please arrive with your dancer 5-10 min prior to their time slot. Check in in Studio 2. We do our best to stay organized and on time and we appreciate your help with this.

Costumes

Going home the week of March 20th.

Dancer's performance costumes will begin being sent home the week of March 20th. This year we are attempting to send all costumes home in one package per family, other than individually in classes. Be on the lookout for your dancer to come home with this package and put costumes away safely. Some small alterations may be needed, so please have your dancer try on costumes so you know if anything needs adjusted. Please ensure your account is up to date so there is no delay in your dancer receiving their costumes.

Tickets on sale

Presale, March 20-31, 2023

Per your annual Recital Fee, families will automatically be given 6 tickets to each performance your dancer is performing in. We are thrilled to be able to offer additional tickets to you as well! You will be allowed to pre-purchase additional tickets at a discounted rate during our Presale, March 20-31. During this sale tickets will be \$17 individually or \$80 for a 5 pack. After March 31, tickets will only be available through GBPAC and will be \$19 plus the fees from the box office. Start gathering your cheering section/fan club now :-). COSTUMES/COSTUME CHANGES/BACKSTAGE

Please make sure you are aware of your dancer's required shoes and tights, and that you have all pieces to their costumes. The office is happy to help with any of this!

Please send dancers in their first costume they will perform in. If dancers should need to change during the performance please send costumes labeled with dancer's name and song. Also, to make changes easier, please layer your dancer's tights. We always have our carmel tights as our base layer and pull pink over top. There is nothing harder than getting tights on a sweaty, anxious body. This helps :-). Our backstage volunteers will be helping dancers make changes as needed. (Recital order will be emailed soon and will be found on our recital tab on the website)

*Reminder- no underwear under costumes, that is what our tights are for :-)

Quick Changes If your dancer has less than 3 routines between their dances, they will be considered a QUICK CHANGE. These costumes need to come in a baggie, labeled with dancer's name, song title and show. These costumes will be collected prior to the show and our QUICK CHANGE QUEENS will change these dancers backstage in our quick change room. You will receive a letter/email to ensure you know which routines are a quick changes. Any questions, please don't hesitate to ask!

MAKE SURE YOU LABEL EVERYTHING WITH YOUR DANCER'S NAME!

Hair and Makeup

All dancers will need their hair in a bun, and makeup is recommended, so dancers are not washed out by the stage lights.

BUNS- *PRESCHOOL/KINDERGARTEN* classes should wear a high center bun

LEVEL 1 AND UP Hair is parted on the left and slicked back in to a lower bun.

When doing buns, we always recommend doing them with wet hair and lots of hair gel. Bangs should be gelled back away from the face if possible. Use bobby pins (preferably closest to hair color), not hair pins. After forming the bun, wrap the bun with a hair net to catch all the “wispy’s” and pin that in. **Helpful hint, mini bun donuts are very helpful for those littles with fine hair!

MAKEUP- At the least, blush, eye shadow, mascara and lipstick should be applied. A gray/black/white eye shadow pallet is generally flattering on all skin tones, but any color is ok. A darker lip color will help their smile stand out on stage! A rose colored blush is great. Fairer dancers may also like to shade in their eyebrows a bit.

Small rhinestone post earrings are always a great way to add some sparkle. No other jewelry should be worn. Please remove colored nail polish on fingers and toes.

Miss Candice will be doing a “Bun Tutorial” video soon which will be emailed, posted to social media and posted on the website for those that may like a little direction.

BUN BUDDIES 2023- A FUNDRAISER AND HELP FOR YOU!

Does the idea of a bun make you want to pull your hair out? Let our Bun Buddies program help! Dancers can sign up for a time slot prior to their performance at Gallagher Saturday May 20, and one of our fabulous teen dancers will create a bun and a wonderful experience for your dancer. A donation of \$15, includes all needed items and a picture with their Bun Buddy. Make-up can also be added on for a \$10 donation! The proceeds will benefit a local non profit...This year’s recipient.... Family and Children’s Council of Blackhawk County! Sign Up will be emailed out in late April.
